11/12/24

Dear WES Families,

We understand that the upcoming holiday season can be a joyful, yet challenging, time for many. Our school community is committed to ensuring that all of our students and their families are supported during this special time of year. We are reaching out to inquire if your family might benefit from assistance.

If your family is in need of support, and is not already receiving assistance from another organization, such as Toys for Tots or the Salvation Army, we kindly ask that you complete the form attached to this letter. Please specify items that your children may need, such as clothing (with sizes indicated) and a reasonably priced toy that would bring joy to them this season. Please note, each of your children will need their own form. If you would like to have this process be more discreet, there is a QR code that you can scan that will bring you to the Google Form you can complete to provide the same information. The link to this form can also be found on our website: cvsu.org/wes

Additionally, if your family is in a position to do so, we invite you to consider “adopting” a family this year by helping to fulfill some of the requested items for children in need. Any assistance provided by our families will go a long way in making this holiday season brighter for others. There is a form attached for this, as well as a QR code below for families who wish to help out.

All information shared will be treated with the utmost confidentiality, and our goal is to ensure that each request is met with care and respect. If you feel your family would benefit from this program, we kindly ask that you submit your request by Friday, November 22nd, so that we can ensure that there is adequate time and resources to support the needs of our school families.

Please do not hesitate to reach out if you have any questions or concerns. Williamstown Elementary School will do all that we can to support our families, and we want to ensure that this holiday season is a time of happiness and comfort for all.

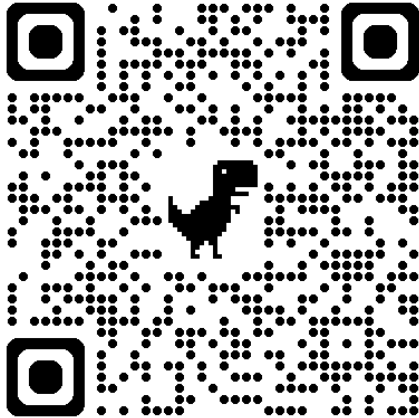

Warm regards,
Venus Dean,
Principal

Krista Pettrey,
School Nurse

Danielle Kidder,
Behavior Analyst

Chelsea Kidder,
School-Home Coordinator
