

Dear CVSU and RVS Families,

We have been consulting with the CVSU Administrative team, the VT Department of Health, and other afterschool/summer programs in Vermont to determine how best to offer our summer ONWARD and Bridges programs in the safest way possible.

We will be offering remote programming, Monday through Friday, July 6th to July 24th. You will find more information about these programs and links to enroll your students below.

We plan to offer in-person programming, Monday through Friday, August 3rd to August 14th.

We will send further information about our in-person programs as soon as possible, *including information about health and safety procedures and protocols*. Please be aware that our in-person programs *will not include early care or aftercare*. Please also understand that, should health conditions make in-person gatherings unsafe, we will have to cancel these programs.

Remote Summer Programs: July 6 to July 24

- Our summer programs will focus on **social-emotional wellness and academic support**. We know that the school closure has been extremely challenging for many of our students and their families. We hope to be able to mitigate some of these challenges.
- ANY student who will be in grades 1 through 9 at CVSU schools during the 2020-21 school year may enroll in our programs. **Students should enroll in programs according to their grade during the *2019-20* academic year**, i.e., the grade they just completed.
- Remote programs will be 50 minutes in length throughout the day. **Students can sign up only for those programs they would like to attend.**
- **It is very important that your student turn their school device in to the technology department according to their school's device-return schedule as soon as possible.** Our tech team will prioritize machines for students who will be participating in remote summer programs.

- Your child's principal and/or teachers may reach out to you about academic support during the summer. We encourage you to **ensure that your child participates in any programs your child's teachers suggest.**
- **We will not charge fees for our virtual summer programs.** However, if you are able to make a donation of any amount to CVSU Afterschool to help us continue to offer our programs, we will be extraordinarily grateful. (*There will be a fee for our in-person programs.*)
