

Williamstown Elementary School Request for Non-Electronic Communication

I do not have reliable access to email communication, so I am requesting that I receive communications from the school in a printed form, when possible.*

_____ I understand that this means my child's report card and testing results will be mailed to the address on file in PowerSchool.

_____ I understand that all other communications will come home via my child's Home School Folder. It is my child's responsibility to bring this folder to and from school and my responsibility to regularly check this folder for communications from school.

_____ I understand that non-electronic communication will not be available in the event of an emergency or unexpected event, such as a mid-day school closure. Therefore, it is my responsibility to ensure that my contact phone number, and those of my child's emergency contacts, is up-to-date at all times so that I/they receive emergency phone calls.
