Dear CVSU Community,

The state of Vermont requires a minimum of 175 instructional days each school year. In reviewing the student calendar for the 2021-2022 school year, I discovered that our calendar only provides for 174 days of instruction. In order to correct the situation, I am providing an updated calendar that will extend the school year by three days.

Attached is a new student calendar for the 2021-22 school year. The original student calendar listed the last student day as Friday, June 10. The last day of school for students will now be Wednesday, June 15. The addition of three instructional days will ensure we meet the required 175 school days while providing 2 additional instructional days in the event we need to close for inclement weather during the school year. I apologize for any inconvenience this change may cause.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads 'Matthew Fedders'.
