

# Northfield Elementary School 2022 November Memo

## Math Information Night

On November 15th, CVSU will be hosting a virtual Math Information Night with i-Ready. The i-Ready Family Session is designed to help families engage with i-Ready to support students. Families will deepen their understanding of i-Ready and its core components, develop an understanding of how i-Ready works, and learn how their student will engage with i-Ready. Finally, families will explore resources to support their students during the Diagnostic and beyond. 6:00 pm - 7:00 pm. Please use the link below to register for the session. <https://cainc.zoom.us/j/94282828282>

**Wellness News from Ms. Carly** November offers opportunities to pause and reflect on what we are grateful for. Veterans Day is when we can honor the variety of services that military members have contributed to our country for the greater good. Early Act plans to drop by to sing and hang out with the Veterans to celebrate them with song and games together. Then Thanksgiving occurs and we think back on earlier traditions that have evolved into our current celebrations of food, friends, and family. Focus on good things even when things are tough- bring the gratitude to the surface and it will carry you through difficulties.
