VID Guidelines Update

Covid 19 vaccines are now available for children 6 months and older Parents and caregivers are encouraged to get their child(ren) vaccinated through your pediatrician or family health care provider. Also the COVID-19 vaccine is free at any clinic or pharmacy location and widely available across the state. There is no registration for these clinics. Check the vaccine clinics list to find a location near you. Be sure that the location offers Pfizer ages 5-11, Pfizer ages under 5 or & Moderna ages under 6.

Positive Covid cases are required to quarantine at home for five days from start of symptoms or positive test results. Students may return to school after 5 days if they are without fever and symptom free. However, they must wear a mask for the next five days.

Bridges News Bridges Session 1 will end on October 28. Session 2 Begins on October 31. Enrollment forms for Session 2 will be sent out the week of October 17.

Wellness News from Ms. Carly October is National Bullying Prevention Month. A great time to remind and discuss at home the difference between just plain mean aggressive behaviors (still yucky) and targeted intentional hurtful behaviors repeated over time. Our 2022-23 Early Act group will lead this conversation at our School Wide Morning Meeting and Wellness classes will follow up. The word 'bullying' is often misused. We take these issues seriously at NES because we care and nurture O.W.L.S.
