

The October Marauder of the Month is Mac Hall because they've shown exceptional drive and maturity this year. In their AP World History class, Mac has impressed me with their newfound scholarly focus, spending every free moment to gain more knowledge and improve their grade. In other classes, Mac's teacher's were enthusiastic to support my nomination for Mac, with Ms. Loiselle said "I've seen a huge improvement with Mac this year, turning in their work early to get feedback." I'm proud to present Mac Hall with October's Marauder of the Month.
