March 15, 2020

Dear CVSU Families:

Governor Scott announced this afternoon a call for “the orderly dismissal of all schools, and cancellation of all school related activities, no later than Wednesday, March 18 ... and will last through April 6--- but may well be extended for a longer period.”

All CVSU schools will be open on Monday and Tuesday for students and staff, but closed to all students beginning on Wednesday, March 18. Attendance for students on Monday and Tuesday is optional. Afterschool programming and student clubs will meet on Monday and Tuesday, but there will be no field trips, guest speakers, community events, or school events where an audience/ member(s) of the public could be present. If you have questions, please contact your building principals.

Administration and staff will work together for the remainder of the week planning and organizing around how to best sustain essential services and to plan and implement continuity of learning. We will be in future (perhaps frequent) contact with you as these plans develop and unfold.

Thank you for your patience in these extraordinary times.

Sincerely,

Susette Bollard
Superintendent
