Allied Arts News:

Art Studio News from Julie:

We are so excited to share art work with you at our WINTER ART + MUSIC CELEBRATION that has been rescheduled for Tuesday, January 9th from 5:00-7:00pm for grades K-5 at the NMHS Auditorium. We hope to see you there! Donated recycled items: We are now collecting 16-24 oz. disposable plastic water bottles that we will be upcycling into a beautiful work of NES art. We need one bottle per learner, so please send in extras if you have them. We're also looking for lots of tp rolls and small boxes please, as well as any used wrapping paper or old calendars. THANK YOU for your continued support and your generosity!

News from the Nurse's Office:

Spending time outside in the winter is beneficial to everyone's health. It is recommended that children spend at least three hours a day, in shorter intervals, outside. Getting out of a stuffy house and into the fresh, chilled, outdoor air strengthens your child's ability to fight off infections and helps with allergies. Outdoor play helps work off some of that built up energy and exercises some of those larger less used muscles. Here is a link to some very creative ideas for spending time outside in the winter:

P.E. News from Mr. Gonneville:

Hello Everyone,

Our next Comiskey Comets' practice will be Tuesday, January 2, 2023. Happy Holidays to you and your family.

Wellness News from Carly:

Welcome to a new year of opportunities, challenges, and growth! A very exciting week is about to happen at NES! The Great Kindness Challenge will occur January 22-26! Early Act is busy preparing kindness activities here, and you can find the family and school editions at their website to join in the fun! Giving kindness and love is a magical gift that lasts a lifetime and costs you nothing more than words and actions. Kindness really does matter!
