

September 2021 Monthly Memo NES

What's happening in September 2021?

WE'RE BACK!

Free Meals

Meals are again free to all students this year. If you think your child qualifies for free and reduced lunch PLEASE contact Sonia to complete the free and reduced lunch eligibility form; we are counting on you. The school is able to access grant opportunities based on your eligibility for free and reduced lunch.

Student Drop Off Parents are once again allowed in the building, however; in order to provide teachers with uninterrupted planning time I ask that you say goodbye to your grade 1-5 children in the front hallway or at the drop off area - the crescent (drop off and pick-up loop).

Communication Please continue to communicate your child's transportation needs or questions to the Administrative Assistant, Sonia Bassett via email or phone. 802 485 6162, sbassett@cvsu.org

OPEN HOUSE - 9/23/21

5:30 - 6:30 classroom visits, 6:30 special dinner

Bridges Afterschool Program News:

Bridges Registration forms will be sent home with students on Wednesday, September 1, 2021. These forms will also be available on our website starting at 3:00 pm. Bridges Session 1 starts on Wednesday, September 8, 2021.

Health and Wellness

All Northfield Elementary School students and staff are required to wear masks at school except when outdoors. Send your child to school wearing a mask with a few extra in their backpack. Please continue to follow stay home when sick procedures, which served us well last year. All students and staff should stay home if they:

- Show symptoms of COVID-19;
- Have a fever (temperature greater than 100.4°F); or
- Are currently in quarantine due to close contact with an individual with COVID-19 or in isolation due to testing positive for COVID-19.

If symptoms begin while at school, the student or staff member will be sent home as soon as possible.

Fly Five is our school-wide SEL curriculum that we are excited to embark on together this year! Stay tuned for School-to-Home information about what your child's classroom is focusing on and how to extend the learning at home! We'll be working on C.A.R.E.S. competencies throughout the year (Cooperation, Assertiveness, Responsibility, Empathy, Self-Control)
