Preschool Enrollment Process:

Central Vermont Supervisory Union Preschool registration for the 2026-2027 school year is open **March 1st to May 30, 2026**.

Families will receive an email by **June 5th, 2026** notifying them as to whether their child was placed into the program or placed onto the waitlist. *Registration will remain open, and late registrants are placed in our program, or onto the waitlist, based on availability.*

Confirmation of acceptance of preschool placement is due by **June 19, 2026**. If we have not received confirmation of acceptance the applicant will lose their placement spot and it will be reopened for a child on the waitlist or for a late registrant.

All paperwork/documentation must be filed with the Main Office of the school in your town of residence by June 19, 2026. If a preschool registration file is not complete by June 19, 2026 the applicant will lose their placement spot and it will be reopened for a child on the waitlist or for a late registrant.

Important: The Preschool Program is not first come, first served. Applications received in the initial application window will be prioritized according to the following criteria:

Start with students residing in town of the school:

1. Returning Students
2. Students who are qualified under Essential Early Education (EEE) or Individuals with Disabilities Education Act (IDEA) guidelines or need Multi-Lingual Learner instruction.
3. Students enrolled in Head Start.*
4. Students turning 4 before Sept 1, 2026.*
5. Students turning 3 before Sept 1, 2026.*
6. Repeat Steps 1-5 with other CVSU students who reside in Washington, Orange, Williamstown and Northfield.
7. Non-resident age eligible students.**

If you live outside Washington, Orange, Williamstown, or Northfield and want to apply for preschool at one of these schools, **please register your child with the registrar at your home town's school first. Click [here](#) for more information on how to register or enroll with a school.

The second step is to complete the CVSU registration online at [this link](#) or by paper packet provided by the registrar.
